Winemaking

Manual grape harvest

Reception of bins at winery

Destemming followed by cold maceration

Fermentation at controlled temperatures in stainless steel tanks, using selected yeasts.

Grape pressing

Natural malolactic fermentation

Cold Stabilization, filtration and bottling

Tasting Notes

This magic red blend presents ruby-red colour in the glass with violet hints. On the nose the wine is very elegant and one appreciates aspects of spices and raspberry, plus other red fruits. The entry is pleasant and attractive with a round yet well-structured mid-palate. Medium-long finish

Awards

Vintage 2022

90 points, Double Gold – Gilbert & Gaillard

90 points, Gold Medal – Sommeliers Choice Awards

Silver Medal – USA Wine Ratings
